

Effective February 1, 2025

TRASH RATES

The City of Sanborn provides each resident one 65-gallon trash tote and one 65-gallon recycling tote.

These totes remain the property of the City of Sanborn and are to remain at the location which they are assigned.

(If a resident moves, the cans must remain at the property which they were originally assigned to.)

If you desire additional totes to accommodate your needs, you may purchase them for \$50.00 per tote. Any totes which you purchase will remain your personal property. There is an additional fee per month for the collection of trash and/or recycling from additional cans.

- RESIDENTIAL – one trash and one recycling collected each week \$18.90 per month
- Additional trash can with collection each week \$15.90 per month
- Additional recycling can with collection each week \$ 3.00 per month
